

# WESTERN MASSACHUSETTS ELECTRIC COMPANY

MDTE No. 1005 ~~EF~~  
Cancels MDTE No. 1005 ~~EF~~

## SMALL GENERAL SERVICE TIME-OF-USE SCHEDULE T-0 Page 1 of 3

### APPLICABILITY:

This rate is applicable only to the entire use of electricity at a single location. Such service shall not exceed 349 kW. All electricity delivered hereunder shall be measured through one meter. All electricity supplied shall be for the exclusive use of the customer and shall not be resold. With the approval of the Company the customer may furnish electricity to persons or concerns who occupy space in the building to which service is supplied hereunder, but on the express condition that the customer shall not resell, make a specific charge for, or remeter (or submeter) or measure or control the use of, any of the electricity so furnished.

This rate is not available to new applicants after September 17, 1999.

Notwithstanding the foregoing, Schedule 23 may be used in conjunction herewith and separately billed.

The minimum charge is the customer charge.

MISCELLANEOUS CREDITS:

Transformer Ownership Credit: If the service transformers and associated equipment, except metering, are furnished by the customer, a credit shall be applied to the bill equal to \$.20 per kW.

Metering Credit: The Company may meter the electricity delivered to the customer on the higher voltage side of the service transformers, in which case the number of kWh so registered shall be reduced by two (2) percent.

TERMS:

The Company's Terms and Conditions in effect from time to time, where not inconsistent with any specific provisions hereof, are a part of this rate schedule.

TERM OF CONTRACT:

Customers served under this rate must provide the Company with six months prior written notice before installing, or allowing to be installed for its use, a non-emergency generator with a nameplate capacity greater than that in place on the Customer's location as of March 1, 1998. Also, customers receiving service under this or superseding rate schedule may not change to another rate schedule within the first 12 months of the service.
